SITE LOCATION

INFO AND HISTORY ABOUT SITE

This high quality woodland has been preserved in Woodstock for many years. Ancient oaks tower over a sea of wildflowers and woodland grasses. The topography here is spectacular, and the maintained trail system winds around the hills and gives great vistas.

TLC has been partnering with the city for years, and performs most of the maintenance for invasive species in these woods.

GENERAL RULES

Site hours are sunrise to sunset.

No alcohol.

Pets must be leashed at all times.

No camping.

No fires.

No removal or disturbance of any plant or animal life.
